"Cure Your Rupture Like I Cured Mine"

Old Sea Captain Cured His Own Rupture After Doctors Said "Operate or Death."

His Remedy and Book Sent Free. Captain Collings sailed the seas for many years; then he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for years. He tried doctor after doctor and truss after truss. No results! Finally, he was assured that he must either submit to a dangerous and abhorrent operation or die. He did neither! He cured himself instead,

Son, Men and Women, You Don't Have To Be Cut Up, and You Don't Have To Be Tortured By Trusses."

Captain Collings made a study of himself, of his condition—and at last he was rewarded by the finding of the method that so quickly made him a well, strong, vigorous and happy man.

Anyone can use the same method; it's simple, easy, safe and inexpensive. Every reptured person in the world should have the Captain Collings book, telling all about how he cured himself, and how anyone may follow the same treatment in their own home without any trouble. The book and medicine are FREE. They will be sent propaid to any rupture sufferer who will fill ont the below coupon. But send it right away—now—before you put down this paper.
